## DESCRIPTION

Introducing the **Marlon UTA & UTTA series**, robust and lightweight aluminum utility trailers crafted for a range of hauling requirements. These trailers come with a convenient bi-foldable rear ramp, secure tie-down points, and corrosion-resistant material for long-lasting use. Perfect for carrying ATVs, snowmobiles, or construction materials, providing ease and safety for all your projects and escapades.

*Some models are shown with optional features.*

# ThisIsTheMarlonWay

The Marlon roots extend 50 years as a distributor of recreational products for adventurers in Canada's West Coast.

As we matured in the marketplace, we identified a need to not only expand our offerings of recreational trailers and related accessories, but also innovate our own products to help address the specific needs of a growing customer-base in Canada and the USA.

We're all about getting the job done, and having a good time doing it.

From truck decks, boats, and trailers, to power equipment, snow removal, and much more, we design with family in mind, reliability in our products, and commitment to your safety. Help us redefine what it means to

**Work Hard, Play Hard, and Ger 'er Done.**
